

How to Download and Set Up the UDT Voice App

Follow the steps below to download and set up the UDT Voice app on your Android or iOS device. Please note that the app may prompt you to grant various access permissions (e.g., contacts, microphone, etc.).

For Android

1. Open the **Google Play Store**.
2. To access the app:
 - A. Click on the link: <https://play.google.com/store/apps/details?id=com.udt.udtvoice> to access the app. **OR**
 - B. Search for **UDT Voice**

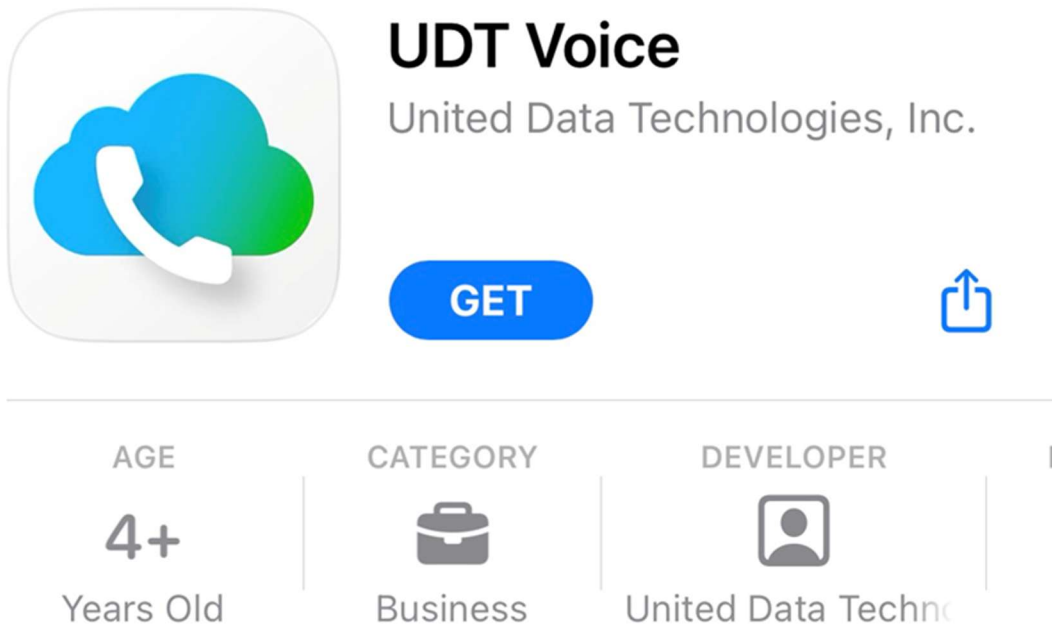

3. Tap **Install**.
4. Open the app once installation is complete.
5. Open the app and enter:
 - **Login Name:** Enter your extension number followed by the @ symbol and your organization's domain. Example: extension@company, 101@acme
 - **Password:** Enter the password you created upon receiving the Welcome email.

A screenshot of the UDT Voice mobile app login screen. At the top, a dark blue status bar shows the time 10:33 and signal icons. Below this is a white header area with a blue and green cloud icon containing a white telephone handset. The text 'Log in to UDT Voice' is centered below the icon. There are two input fields: 'Login Name' and 'Password'. Below the 'Password' field are two links: 'Forgot Login?' and 'Forgot Password?'. A blue 'LOG IN' button is centered below the links. At the bottom, there is a toggle switch for 'Enable biometric' which is currently turned off. The entire screen is set against a white background with light blue and green geometric shapes in the background.

For iOS

1. Open the **App Store**.
2. To access the app:
 - A. Click on the link <https://apps.apple.com/us/app/udt-voice/id6758786328> to access the app. **OR**
 - B. Search for **UDT Voice**

3. Tap **Get** to install the app.
4. Open the app after installation.

5. Open the app and enter:

- **Login Name:** Enter your extension number followed by the @ symbol and your organization's domain. Example: extension@company, 101@acme
- **Password:** Enter the password you created upon receiving the Welcome email.
